United Way of South Central Nebraska

Give the gift of reading this holiday season!

Dolly Parton began her Imagination Library program in 1996 to provide books to all the young children in her hometown in East Tennessee. Dolly wanted to foster a love of reading among her country's preschool children and their families. The Imagination Library was so successful, that it is now an international program!

The United Way of South Central Nebraska is the local champion of Dolly Parton's Imagination Library, with nearly 1,300 children receiving a book every month in our area. The program is available at no cost to ALL children in Adams, Clay, Nuckolls and Webster counties under the age of 5. Each child enrolled in the program will receive one age-appropriate book per month until his/her fifth birthday.

The cost to sponsor one child for one year is \$30; to sponsor, please send a check or money order to United Way of South Central Nebraska, 301 S Burlington Ave, Hastings, NE 68901.

Toys For Tots!

United Way of South Central Nebraska works in partnership with the Marine Corp through the Toys for Tots program to ensure children who are less fortunate will receive a gift during the Holiday Season. We are collecting toys for children between the ages of newborn and 15 years old. Donations of new, unwrapped toys or books are collected November 1—December 12th at the locations listed below.

Collected toys and gifts will be distributed to children in Adams, Clay, Nuckolls and Webster counties.

Hastings Dollars make the perfect holiday gift!

Whether you call them Hastings Dollars, Chamber Bucks or something else, they are great for the local economy, our community and are spent just like cash.

Top reasons to buy Hastings Dollars:

1. Promotes shopping local
2. Keeps the money circulating in our community
3. Be a part of over \$100,000 purchased every year to be spent in our community
4. They don't expire
5. Can be used at any Adams County business
6. Can be spent at businesses that are Chamber Members or non-Chamber Members
7. Works great for awards, incentive, retirement, graduation thank-you's, hard to shop for people or just because gifts
8. You can keep a few on hand when you need a last minute gift

So you received Hastings Dollars, now what?

- Decide where you want to spend them in Adams County.
- Go shopping and head to the check out.
- Pay with your Hastings Dollars and sign the back of each check.

Your business received Hastings Dollars, now what?

Each check is worth \$10.00. The checks are guaranteed by the Hastings Area Chamber of Commerce. Treat them like cash.

Please note: Depending on the business's check cashing policy some will give change while others cannot. We understand that a corporate business has policies in place that prohibit giving change. (For example, if the total is \$7.50, and you present one check, some are allowed to give the \$2.50 change while others are not.)

Thank you for continuing to shop local!

Call the Chamber office 402-461-8400 or email info@hastingschamber.com to place your order today.

Retail Development Committee

Retail is needed, not only to provide the goods and services to support the resident and business populations in Hastings, but also to enhance the vibrancy of the existing commercial centers so that each one continues to evolve as an appealing and vital destination in the region.

The Hastings Area Chamber of Commerce works to increase the amount of retail activity in the Hastings area by:

- Retaining and recruiting quality employers who offer employment opportunities with fair and commensurate wages and benefits for services provided
- Providing a business-friendly environment that will support entrepreneurial ventures and help businesses prosper
- Encouraging and promoting purchases of local goods and services

Like the “Shop Hastings” Facebook page to find out more about our local businesses and their promotions throughout the year!
